POSITIVE SEXUALITY AND HIV CONFERENCE

March 11, 2009
8:30 am – 4:00 pm
LGBT Center
208 West 13th Street
New York, NY 10011

PURPOSE

A conference focused on educating professionals working with individuals living with HIV/AIDS on how to reduce the stigma associated with sexuality in this population. The focus is on assisting individuals living with the virus to achieve health sexual lives.

PROGRAM

Panelists of professionals in the field discussing sexual health of individuals living with HIV/AIDS, followed by Q & A and breakout groups.

BREAKOUT GROUPS

Still Sexy in the City

In this session, practitioners will walk away with an understanding of how to reduce sexual stereotypes that affect the 50+ age group.

Coming of Age

In this session, practitioners will walk away with the tools necessary to assist HIV+ adolescents with the transition into their sexual lives.

Sex, Drugs and Mental Illness

In this session, practitioners will walk away with an understanding of the impact of substance use on sexuality

Myth Busters

In this session, practitioners will walk away with an understanding of how to address the stigma, cultural implications and myths and realities associated with sexuality and HIV
